**Thanks for the support!**

It is never easy to accept the passing of a loved one, but it is comforting to see the support of the Knights and their spouses show up for the recent Rosary that was prayed for Jeremi Gary. Thanks to all who drove to Baton Rouge to support Ray, Dawn, and Jessie's Family in their time of need. There was several families that went and a few other councils that showed up to show their support also. Let us remember, that is one of the reasons we became a Knight, to support widows and their families in a time of need.

**Great job on the BBQ!**

Well, we did it again! Great job on the BBQ Dinners once again. We had a lot to do, and we had great help. There was old members and new members working side by side and everyone doing their share of the work load. We were able to gross more than \$19,000 and will be able to give you a net total shortly when all the expenses are turned in. I personally want to thank every Brother and family member who worked very hard to make this happen! A special thanks to Pat Daley for filling for Ray in his families time of need, and Pat Cheramie, our Insurance Agent got in the act, and served chicken till the end. This is a great time to meet and greet other Brothers, while getting to know some of these guys personal life while working together to help the Knights.

## A Recommitment to your faith

Lent is a time of renewal to our faith and our everyday life. We try to find ways to improve our eating habits, lose weight, give certain foods up, go to mass more often, pray the Rosary more, and just a lot of different things for the next forty days. But, often when Holy Week is completed, we tend to think that we have improved our life in that time period. Well if you feel that was a years worth of praying and recommitment to the church and God, then you should re-think why we “practice what we preach”. We should take on the role to practice everyday prayers. We must continue to pray the Rosary often as possible, become more involved in the church masses as Lectors, Eucharistic Ministers, Choir, Ushers and any of the Ministries that are not mentioned in this article.

## *Christmas in April*

Remember to help out on April 14,2007. Please refer to the church bulletin!

## Trivia Question

In th garden of the Kidron Valley, Simon Peter cut off the ear of one of the high priest’s slave. Jesus said to Peter “put away the sword” and then said “ what”? What did Jesus say to Simon Peter next. Hint: Look in John. Please write the answer down and turn it in before the meeting

## *KC of the Month*

This brother is always on the run. He is involved in the 4th Degree, Degree Team, he heads up Donut Sunday every weekend, Officer of our Council for many years, He has stepped in for other officers at Area and State meetings when we needed points for State Deputy Award. Thanks for all the extra help he gives us at all the functions. He is at every event, and supports the church and community every chance he gets. He is the “Bean Machine for Jambalayas and BBQ dinners. **Please help me congratulate Joe Primeaux.**

## *KC Family of the Month*

This family is busy working, but always helping the Knights when needed. He is a Trustee for our council, and his family has taken a lot of time to put on a thirteen week program FPU. Financial Peace University is a very effective way to pay off debt faster and be able to save money for the future, and tie the to the church more effectively, since you have more access to funds. This was a big undertaking and they have done a tremendous job as they conclude the course after Easter. **Help me Congratulate Ed, Louise, Zack, Jennifer Comeaux !**

**Brothers, please take the time to protect your family against pornography and on line predators by updating you’re your firewalls, anti-spy ware and spam today!**

## *Happy Birthday Brothers*
