MEMORIAL DAY BLOOD DRIVE

Roll up those sleeves..... UBS is coming to get some blood. This is the time of the year when you can give something no amount of money can buy. There is a constant shortage of blood among the hospitals and many of our own have developed a need. Please try and make yourself available **for Sunday May 28th** in St. Cecilia's Cafeteria. United Blood Service will be available from 8:00am to 1:30pm. Remember the time frame from one donation to the next must be at least 8 weeks. Please get the word out, we need as much help as possible. A point of history—this is also known as “**Lee Martin Sr. Memorial Blood Drive**”

Lee Martin, Sr. Memorial Scholarship

Congratulations to Jacob Broussard, senior at Comeaux High School, as our 2006 recipient. Jacob is also son of John Harold Broussard and a recent Knight. I expect great things from Jacob as he has received an athletic scholarship to play soccer.

Brothers,
Officer nominations continue this month. Remember that a Brother must be present to accept a nomination for an officer position. I encourage anyone interested in an available officer position to get someone to nominate you. Elections are in May. Good Luck

Fathers Day Banquet & Installation

Our June meeting is the time we do our installation of new officers. The usual plan is to participate in 5pm Mass on Saturday June 17th, the day before Fathers Day. Immediately following the mass will be the official installation of officers in the church. We will then proceed over to the gym for the Banquet. Everyone

Sign Project

I would like to propose a project. We as a council have many activities that are very successful, but what if we could make them more successful by getting the word out to more people. We could accomplish this by erecting a sign in front of St. Cecilia School. This sign could also be used for St. Cecilia Events. There has been communications with Mr. Fontenot about the project. More discussion at the meeting.

Thinking About A Vacation

No doubt the signs of Spring have had their affect on you. Initially, getting outdoors is the obvious thing to do. We start by poking around the garden, working on the lawn, attending softball practice, dusting off the gas grill. Beneath is all we sense that vacation is near. This pleases everyone. It doesn't matter whether we are planning an elaborate vacation or will simply enjoy the company of our family at home - the feeling is the same. Vacations are fun. If we've planned properly, chances are that some of our hard earned dollars have been set aside for this occasion. We recognize that if we plan to spend money in the pursuit of enjoyment, the ordinary fixed expenses-mortgage, utilities, etc.- must still be paid. So you need a "vacation fund". All this makes good sense. The soundness of the idea is obvious. Isn't it amazing that so many of us see the wisdom of planning for our vacations each summer, but fail to plan our long range vacation - retirement. The government has thought about it and encouraged your independence at retirement age. Your employer has probably thought about it and planned a pension for you. The only one left is you...it's time you thought about it. Find out how you can add to government and employer programs an amount sufficient to provide for you and yours. Retirement is the longest vacation you'll ever take. Call Pat Cheramie at 256-5430 for help in planning for it.

Teacher of the Year

Every Year, our council shows our appreciation of the hard work our teachers do. This year will be no different. I will be accepting nominations for a well deserving teacher. Please write the info that you fill is pertinent for that teacher to be considered on paper and turn it in at this month's meeting. We are looking for someone that is a part of Sacred Heart Church.

KNIGHT OF THE MONTH

I want to thank our many members for participating in all the events coordinated by the Knights, but I would like to congratulate **Ken Granger for being our Knight of the Month for May**. I have continued to see Ken at many of the events, like the barbecue and meetings and he also was a big help with the Rebuilding Our Community that theoretically was not a KC event, but many Knights have participated in the past. Thank you Ken, for helping this organization in its many community events and congratulations on being this months Knight of the Month.

FAMILY OF THE MONTH

This Months Family of the Month is a very deserving family. Congratulations to **Joey Anzalone, Colette, his wife and their children, Joseph, Justin and Jenci for being Family of the Month of May**. This family was a big part in the recent Rebuilding Our Community, which is completely a volunteer basis and helps the needy in our community. They were at the house to be repaired before the actual scheduled weekend. Colette was also there the whole day and I'm sure some hours after to make sure the job was complete. Joey has been very active with the youth as a coach and mentor and has served our Church Parrish well. Congratulations the Anzalone Family.....
