Memorial Day

As Memorial Day approaches, it is time to pause and consider the true meaning of this holiday.

Memorial Day represents one day of national awareness and reverence, honoring those Americans who died while defending our Nation and its values. While we should honor these heroes every day for the profound contribution they have made to secure our Nation's freedom, we should honor them especially on Memorial Day.

Let us remember these men on their special day...

We hope you gentlemen have a super birthday and wish you many, many more!

Lawrence A. Cavell, Harold L. Foote, Melvin J. Gauthreaux, Warren Hebert, John E. Hudson Jr., George S. Martin, Thomas V. Miller II, John M. Prejean, Toby P. Armentor.

Sir Knight's, our Faithful Comptroller stated that we still have some member's who have not paid their dues. Please get with either Alvin Broussard or myself so that we can resolve this issue and close the books.
