Prayers for our Country

*If we forget those who have sacrificed their lives to defend our freedom, we
risk forgetting that our freedom is worth dying for in the first place.*

As our Father, you know how essential dads are. Children need a daddy who not only provides for them but loves them and gives wise direction to their lives. Lord, you know how many families in our nation are missing fathers. Death, divorce, and misaligned priorities steal men away from their families.

I ask that you would turn the hearts of the fathers toward their children. Please remind them of their responsibility. Help them see the great opportunity to make their families strong. And for the fathers who have accepted their noble duty, Lord, I ask you to give them strength. Grant them wisdom to know how to instill strong values in their kids. Grant them patience. And grant them the ability to communicate love and acceptance. God, make America's fathers strong and loving. Amen

Honor Guard Request: St. Emonds will be conducting a Patriot Rosary at 6:00 p.m. on July 2, 2009.

Prayer for Our Military

O Prince of Peace, we humbly ask Your protection for all our men and women in military service. Give them unflinching courage to defend with honor, dignity and devotion the rights of all who are imperiled by injustice and evil. Guard our churches, our homes, our schools, our hospitals, our factories, our buildings, and all those within from harm and peril. Protect our land and its people from enemies within and without. Grant an early peace with victory founded upon justice. Instill in the hearts and minds of me and women everywhere a firm purpose to live forever in peace and good will towards all. Amen.

“ We Must be Free Not Because We Claim Freedom, But Because We Practice it....”

**HAPPY FATHER'S
DAY**

On July 4, 1776, we claimed our independence from Britain and Democracy was born. Every day thousands leave their homeland to come to the "land of the free and the home of the brave" so they can begin their American Dream.

The United States is truly a diverse nation made up of dynamic people. Each year on July 4, Americans celebrate that freedom and independence with barbecues, picnics, and family gatherings. Through the Internet we are learning about and communicating with people of different nations, with different languages and different races throughout the world.

Bringing the world closer with understanding and knowledge can only benefit all nations.

We invite all nations to celebrate with Americans online this Fourth of July.

HAPPY BIRTHDAY, AMERICA!
