**October 20, 1944** General Douglas Mac Arthur returns to the Philippines. The invasion of Leyte begins which includes the great naval battles of Leyte Gulf.

**Business Note:** We will discuss and vote on the 2007-2008 budget at the October meeting prepared by the assembly officers.

**E-Mail:** If you have an e-mail address and still getting your newsletter by US mail, please send your e-mail address to me. This is a substantial savings in cost and time.

**Prayers needed:** Please remember SK Joe Gautreaux in your thoughts and prayers. During these difficult times, he and his family need our support.

**Those in need:** SK Alvin Broussard's daughter Amanda, home burned to the ground in Scott on September 22, 2007. She lost everything. He is requesting prayers and assistance of any kind.

**Columbus Day** is the annual U.S. commemoration of Christopher Columbus's landing in the new world (at San Salvador Island, also known as Waitling Island, today part of the British Bahamas) on October 12, 1492. Observed October 8, 2007. Columbus was not the first European to successfully cross the Atlantic. Viking Sailors are believed to have established a short-lived settlement in Newfoundland sometime in the 11<sup>th</sup> Century and scholars have argued for a number of other possible pre-Columbian landings. Columbus, however, initiated the lasting encounter between Europeans and the indigenous peoples of the Western Hemisphere.

## **New fraternal year.**

SK's lets get fired up about Patriotism. Our country is still at war; our soldiers are still dying. Regardless of which side of the fence you are on concerning the war we must still support our military, support our President. His must be one of the loneliest jobs. Let us look around our respective councils and see if there are any 4th degree candidates.

**Support the 4<sup>th</sup> Degree**
